Effective date: January 15, 2026
Currency: USD

SUPPLIER Aster Ridge Biomanufacturing	MONTHLY MINIMUM USD 125,000	RELEASE ADMIN FEE USD 3,750
--	--	--

SCOPE

Aster Ridge Biomanufacturing will provide batch release administration, quality deviation support, and sponsor-facing documentation coordination for the Caldova commercial manufacturing program.

COMMERCIAL TERMS

Term	Value	Notes
Monthly minimum	USD 125,000	Applies during active campaign months after QA acceptance.
Release administration fee	USD 3,750	Assessed for each batch release package requiring sponsor review.
Pass-through fees	At cost	Sponsor approval is required before recovery.

CONTROLS AND APPROVALS

Quality deviation cost recovery must be supported by deviation references, corrective action summaries, and sponsor approval where required by the master services agreement.

Key terms: batch release administration, quality deviation cost recovery, and sponsor approval before pass-through fees.
